**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was once connected to AOL and have received many letters trying to get us to change to other big companies. We have Sonic which has been a very good company. Their service is exceptional and you actually get to talk to a representative in the customer service department. why would you want to discontinue the ability to have good service against bigger business who's service is not as good.

Please don't take another good company from us.
